*#sgelections: what now?*

On May 25th, an Academic, a Journalist, a Blogger and a First-Time Voter will discuss what made #sgelections our most significant socio-political milestone yet, and what it might mean for our future.

OUR HYPOTHESIS: panel of people who come from different social circles – that rarely interact – might have interesting things to say, in a very emergent way.

Featuring *Simon Tay, Tessa Wong, Mr Miyagi*, and introducing *Chan Mei Yi*. Moderated by *Gillian Koh*.
